We've mastered the art of blending luxury with comfort, and now—blurring the line between outside and in. Not only are our Panorama SuitesSM on our Suite Ships[®] 30% larger than the industry standard, our wall-to-wall and floor-to-ceiling windows open wider than any other, creating river cruising's only Open-Air Balcony[®] and an open invitation to discover and dream. And speaking of dreaming, we turned our beds to face the window, giving you a bed with a view for the sweetest visions ever. Even if you're a seasoned traveller, you've never seen Europe like this.
